

## Outreach with General Aviation Pilots

Enhance your operational safety with an in-depth review of the regulation defining Class C airspace and the agency policy describing the Class C Airspace at Charleston, SC, to include the congested area of operation around Patriot's Point. Emphasis will be placed on equipment requirements, and the airspace's unique operational complexities. Measures to enhance safety of operations will also be discussed.

**Directions:** Located at CHS airport off of S. Aviation Ave.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
