

Runway Incursions Pilot Controller Forum Tower Tour

Runway Incursions - we'll discuss what constitutes a runway incursion, distractions that cause runway incursions and procedures to prevent them. We'll then go to the Myrtle Beach tower and control facility to meet with tower and approach/departure controllers. There will be a tower and control room tour where you'll be able to ask questions of the controllers.

The Tower Tour is limited to 11 attendees. Another Seminar and Tower Tour is scheduled for Oct. 24 if this one is full.

Directions: Meet in the FBO Conference Room to discuss Runway Incursions. We will then go to the Myrtle Beach tower and Approach/Departure facility that's only a few minutes away.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
