

2018 IA Symposium

We have a full slate of speakers for you again this year. We will have several manufacturers speaking this year who were not in attendance last year. The FAA will be speaking in the last hour and there will be 2 classes to choose from throughout the day - from the first hour to the seventh. Everyone will receive their certificate at the end of the day as usual.

To register use the following link: <http://concordebattery.com/Eventspreview1.php>

Directions: The event is being held at the Midlands Technical College in the Academic Center Auditorium.

Registration starts at 7:00 AM, Class starts at 8:00 AM.

To Register Contact Chris Holder by email at holder.cc@gmail.com RSVP as soon as possible.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
