

# Explore Factors Before and After a Serious Engine Failure Accident

The program examines a General Aviation engine failure event. Listen to an expert panel of maintenance and pilot personnel discuss the warning signs and best practices to prevent future mishaps and guidance for handling such an event if it does occur.

**Directions:** From I-26 Take Jedburg Road exit toward Jedburg. Turn right on Greyback Road and follow to the airport.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
