

FSDO-13 and the FAA SafetyTeam presents:

# **Banner Tow Parasail Commercial Air Tour Operator Safety Meeting**

The South Carolina Flight Standards District Office will conduct the annual meeting for all banner tow operators, parasail operators, commercial air tour operators, parachute operations, and other interested parties at 1:00 p.m. on Wednesday, February 21, 2018. Like last year, this year's meeting will be held at Myrtle Beach Aviation in the new General Aviation FBO terminal building conference room.

The meeting will concentrate on safety issues concerning banner tow operations, parasail activities, parachute activities, commercial air tour operations, and other sightseeing flights; the meeting will last approximately two to three hours. We will also discuss any concerns, complaints, and safety related issues experienced during the 2017 season.

**Directions:** See map. After parking your vehicle in the parking lot: Go in the FBO to the large conference room on the left.

Flying in: Park at the FBO aircraft parking and go inside to the large conference room on the right.
