

June Topic of the Month Transition Training

This will be the first of a two part presentation event focusing on the issue of loss of control accidents. Data will be presented supporting the causes and possible preventive measures to reduce these types of accidents.

This will be followed by a second presentation on UAS operations.

Private Seminar- No distribution list selected.

Directions: Proceed on Summit Drive after turning from Gateway Circle. Pass the Beaufort County Recycle Center. Take the next right turn and the building is located to the left after taking that turn.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
