

Unmanned Aircraft System (UAS) Overview and Safety Outreach

This event will emphasize the various ways to operate UAS, the application of Part 107, the availability of the sUAS On-line course at FAASafety.gov, and current issues impacting UAS. We will also review UAS model aircraft guidelines and regulations. This program will be presented by Scott Newsome, FAAST Team Representative from Charleston, SC.

Directions: Once you enter the FBO, take the stairs to the 2nd floor conference room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
