

SC FSDO FAAS Team presents:

UAS Outreach

Discussion will include the Reauthorization Act of 2018, Part 107 Regulations, UAS in Controlled Airspace, Public Use Aircraft, Certificates of Authorizations and Waivers, LAANC and more. Participate in the WINGS Pilot Proficiency Program - It's the right thing to do for safety. Key benefits include: It makes one a more competent and confident pilot. It's easy to get involved and track your progress. It satisfies the flight review requirements for pilots. It's a lifelong program with no limit on the number of Phases available at each of three levels. Pilots can work on all three levels simultaneously. Many industry training providers and service organizations have activities and syllabi that are pre-approved for WINGS credit. Find out more about WINGS at FAASafety.gov
