

SC FSDO FAAS Team presents:

# Preflight After Maintenance

This seminar will review pilot and mechanic interfaces, including scheduled maintenance, anticipated maintenance, record keeping forms, and pilot preflight responsibilities. We will also review ELT requirements and available NTSB resources....and more.

This will be the second of two seminars.

**Directions:** Pageland Airport, KPYG, is located between Lancaster and Cheraw, East of Pageland on US 9. From Monroe, NC drive South US 601. US 601 joins US 9S just West of Pageland, continue eastbound through Pageland to Airport Road, State Road S-13-43. Turn right onto Airport Road and proceed to Clarence Jordan Lane (just prior to runway). Turn right onto Clarence Jordan Lane. The Airport FBO, 167 Airport Road, is the gray house left side of road. From Lancaster or Cheraw, take US 9 toward Pageland. From Lancaster eastbound on US 9 through Pageland to Airport Road, State Road S-13-43. Turn right onto Airport Road and proceed to Clarence Jordan Lane (just prior to runway). Turn right onto Clarence Jordan Lane. The Airport FBO, 167 Airport Road, is the gray house left side of road. From Cheraw westbound on US 9 to Airport Road, State Road S-13-43. Turn left onto Airport Road and proceed to Clarence Jordan Lane (just prior to runway). Turn right onto Clarence Jordan Lane. The Airport FBO, 167 Airport Road, is the gray house left side of road. From Kershaw, drive North on US 601 to join US 9 in Pageland. Continue on US 9 through Pageland to Airport Road, State Road S-13-43. Turn right onto Airport Road and proceed to Clarence Jordan Lane (just prior to runway). Turn right onto Clarence Jordan Lane. The Airport FBO, 167 Airport Road, is the gray house left side of road.
