

SC FSDO FAAS Team presents:

June Topic of the Month - Aircraft Certification Reform Means Better Technology For GA

This event will introduce attendees to the basic changes in the federal aviation regulatory system that govern aircraft certification and how these changes can pave the way for better, less expensive technologies in the general aviation cockpit that could reduce loss of control accidents.

This event will be followed by a second short safety presentation on the topic "Use of Weather Information: Where To Find it and How To Use It." Wings credit available. Please register separately for wings credit by registering for the topic "Use of Weather Information: Where to find it and how to use it."

Directions: Location: Special Services Corporation Conference Room

Drive-in: From 385: proceed south on Haywood Road past the Haywood Mall and past Chick-Fillet. Turn right (west) on Airport Drive for approximately 2000 feet. Continue straight onto Opportunity Place and follow Opportunity Place as it curves right to the first hanger on the right. The conference room is in the Northwest corner of that first hanger. Parking is available in front of the building.

Fly-in: Taxi to the southeast ramp, taxi past the first hanger on the right to the second hanger on the right. The conference room is in the Northwest corner of that second hanger. Tie downs may not be available.
