

Mid-air Collision Case Study-Vapor Lock Briefing

This event will review actual accident data with the communications that happened right before a Mid-Collision here in S.C. and what you should know about it. Lets look at information about vapor lock. This briefing will be from 6:00 pm to 7:30 pm. Bring a friend and all the questions you may have.

Directions: See map.

Flying in: Park at the airfield and go inside to conference room.
