

SC FSDO FAAS Team presents:

## **November Topic of the Month - Controlled Flight Into Terrain**

With the peak of the "fall colors" and the annual migration to the Mountains of NC to witness the beauty, now is an excellent time to readdress Controlled Flight Into Terrain (CFIT). Mr. Chris Peterson, CFII and ATP, an experienced mountain flyer, will discuss Controlled Flight Into Terrain (CFIT). During the meeting we will discuss CFIT planning, prevention, and review accident data.

**\*\*Bring a Folding Chair if possible.\*\***

**\*\*\*Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines\*\*\* This include MASK requirements.**

**Directions:** Travel to Johns Island and enter the airport property off Main Rd. At the 4 way stop sign go straight, turn left just past the fuel farm. Park, and enter the facility in front of you through the door with the awning, Interstate Turbine signage is on the building.
