

Alternate Missed Approaches

Have you ever noticed an Alternate Missed Approach Procedure on an Approach Plate? Do you know why it's there and when it is to be flown? Find out as we look at two airports in SC that have Alternate Missed Approach Procedures.

Bring your iPad with the IFR approaches for South Carolina.

This is Part 2 of a 2 Part program. Part 1 - Interruptions and Distractions - starts at 10 am. Be sure to register for both parts.

Directions: Once you enter the FBO, take the stairs to the 2nd floor conference room.

A message from the National FAASTeam Manager
