

West Columbia FSDO presents:

Pilot Proficiency and WINGS

The WINGS Program Emphasizes the Value and Benefits of Regular Proficiency Training for all Pilots.

Proficiency Training is Highly Beneficial to Aviation Safety and subsequently is Required for Most Professional Pilots.

Proficiency Training is Beneficial to General Aviation Pilots as Well.

Studies Have Shown Pilots who Participate in Regular Proficiency Training are Better Equipped to Handle

Abnormal or Emergency Situations Should They Occur.

Directions: Special Services Conference Room, Southeast Ramp, Greenville Downtown (KGMU) Airport
First hanger on the right as you enter the driveway. The conference room is in the Northwest corner of that first hanger.

For fly in, go to southeast ramp and proceed to the second hanger from the taxiways.
