

SC FSDO FAASTeam presents:

March Topic of the Month - Pilot Proficiency and Wings

Come and learn about the FAA proficiency opportunities and the Wings program. FAA Wings Pilots fly with more confidence, their passengers are more comfortable, and their safety metrics are improved. Learn how you can be a FAA Wings Pilot. We'll also share stories and hangar fly.

Snacks will be provided

****Bring a Folding Chair if possible.****

*****Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines*** This include MASKS requirements.**

Directions: Turn onto Airport Property and go Straight through First 4 way stop sign. As the road ends turn left pass the fuel farm and park in first parking lot. Enter through awning entryway .

A message from the National FAASafety Team Manager
