

SC FSDO FAASTeam presents:

April Topic of the Month Angle of Attack

This event is a 30 minute presentation on Angle of Attack (AOA) based systems and how they can benefit the GA community during critical phases of flight by increased awareness of stall margins. Presented by Capitan Kelly McMullin (retired), CFII, and FAASafetyTeam Representative. The AOA presentation will begin at 1900. There will be time for a brief question and answer session. Please note: This event will be followed by a 30 minute presentation "Summer Flying Tips" presented by Brett Zukowski, FAA FAASafetyTeam Representative, ATP, DPE, Chief Flight Instructor and CO-Owner of USAeroFlight Pilot School in Greenville, SC (KGMU). This timely presentation will be followed by a brief opportunity for questions and discussion. Participants must register for both presentations separately to receive WINGS credit.
