

Part 137 Agricultural Aircraft Operations - Certification and Surveillance PLUS UAS

This private event will provide an overview of the Part 137 certification requirements as well as the controlling Code of Federal Regulations and current policy applications. This interactive event will also provide an overview of the advent of UAS into the agricultural operations arena.

Directions: See Map Link

NOTE: This is a private conference sponsored by the Southeast Aero Cultural Fair. Hence, the FPM did not specify an email distribution list.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines
