

SC FSDO FAAS Team presents:

## **November Topic of the Month - Controlled Flight Into Terrain**

The FFASTEAM topic of the Month focuses on mitigating one of the leading causes of general aviation accidents – controlled flight into terrain, or CFIT. The presentation explores the many CFIT-related resources and technological tools available to pilots, as well as numerous strategies, tips, and best practices that can help keep CFIT at bay.

Note: This is the first of two events. The second event - Pilot/ATC Forum - will commence at 0930.

**Directions:** See map link.

The event will be held in the main aviation hangar.

\*\*\*Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines\*\*\* This include MASK requirements.
