

SC FSDO FAASTeam presents:

May Topic of the Month Managing Component Failure

Component Failures do happen. There is a pattern to these events and, unfortunately, they often take pilots by surprise. Pilots who have thought about scenarios like those presented in this briefing and have used the preparation techniques suggested are more likely to keep their priorities in handling a component failure emergency in the proper order. Practice makes perfect.

Directions: From CAE, head south on Airport Blvd. Take the right onto Air Commerce Dr. and then right onto SC-602. Turn left onto Ermine Rd. In 1.5 miles, turn left onto US-1 S/Augusta Rd. Follow US-1 S into Lexington. At the intersection of Rt 378, continue straight ahead onto Old Chapin Rd and then make a left turn into the Flight Deck parking lot in 500 ft. The Flight Deck Restaurant is in the center of the shopping complex. The entrance is easily found off the courtyard near Barnes Jewelers and Horizon Travel.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.
