

Frankenplane! Beware of the Hidden Dangers of Layering STCs

During this briefing we will start with the list of installations that might be incompatible. Give guidance to the Owner/Operator, cover installer responsibilities and how to resolve non-compatible modifications. This briefing will run for about an hour and 15 minutes pending your questions.

Directions: All attendees - Enter through the main terminal and turn right - It's the large conference room.
"Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines."
