

FAASTeam Safety Topic of the Month WINGS and Flight Proficiency

Proficiency training works for General Aviation pilots. WINGS is a proficiency training system specifically designed for GA pilots and, regular participation will keep you on top of your flying game. Pilots who participate in the FAA WINGS Pilot Proficiency program fly with more confidence. They and their passengers are comfortable in the air. This interactive seminar will discuss best practices develop your own 'personal minimums' for flying.

Directions: SC CAP WING HQ - Closed Event for CAP members in attendance

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines
