

## FAASTeam Flight Instructor Open Forum

In this forum we'll review Safety Risk Management, Pilot Proficiency, and Aviation Technology in the context of three elements that are essential to safe operations. We'll introduce the topic of Human Factors and describes why they are important considerations for Flight Instructors. We also review examples of robust safety culture ingredients.

**Directions:** Take I-26, in North Charleston, to Highway 78 exit toward Charleston Southern University

We'll meet in the Charleston Room. See attachment.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines
