

November Topic of the Month - Normalization of Deviation Bias

Human Nature is to push the limits, this interactive seminar will discuss the issues resulting from pushing the limits in General Aviation as it relates to safety.

Pizza and refreshments will be provided.

****Stay for the Maintenance FAA Safety program immediately to follow this seminar - the topic is very applicable to pilots****

Turn down Aviation Way, proceed to the County FBO across from the Tuskegee Memorial, enter building and turn right into the conference room.

A message from the National FAASafetyTeam Manager
