

Prevent Runway Incursions PLUS Line Up and Wait

This private seminar will review Runway Incursion data and discuss causal factors such as not adhering to "hold short" instructions and more. We'll watch a video on phraseology and airport designs which can greatly enhance the prevention of runway incursions. We'll also discuss unauthorized takeoffs resulting from "Line Up and Wait" instructions and view the FAA's latest "Line Up and Wait" video.

All attendees - This event will be at the Hilton Head Flight School hangar owned by Ross Russo at 85 Summit Drive, Hilton Head, SC 29928.
