

## March Topic of the Month -- Risk-based Flight Review and Wings

This presentation is dedicated to Flight Reviews, but it is not just for instructors! The General Aviation Joint Safety Committee feels that Flight Reviews that are based on the management of risks can go a long way toward preventing accidents. Moreover, doing this can be both educational and enjoyable for the instructor and the pilot meeting his or her Flight Review requirement. There are risk-focused learning options inside the WINGS database of courses to help you meet this goal. Preparation for a Flight Review (or any flight) is as important as the flight itself. Learn to manage your current risks and how to assess your risks in your future flying adventures by attending this seminar. Fly Smart and Safe!

From CAE, head south on Airport Blvd. Take the right onto Air Commerce Dr. and then right onto SC-602. Turn left onto Ermine Rd. In 1.5 miles, turn left onto US-1 S/Augusta Rd. Follow US-1 S into Lexington. At the intersection of Rt 378, continue straight ahead onto Old Chapin Rd and then make a left turn into the Flight Deck parking lot in 500 ft. The Flight Deck Restaurant is in the center of the shopping complex. The entrance is easily found off the courtyard near Barnes Jewelers and Horizon Travel.
