

May Topic of the Month - What is Approval for Return to Service?

You can't fly until the completed paperwork is done! True, or False? What constitutes adequate documentation when a mechanic has worked on your airplane? What do you need to show when you do authorized preventative maintenance on your airplane? This interactive seminar highlights the ways to make the paperwork right and avoid a reason to become a statistic in the NTSB database. Good stuff to know!

From CAE, head south on Airport Blvd. Take the right onto Air Commerce Dr. and then right onto SC-602. Turn left onto Ermine Rd. In 1.5 miles, turn left onto US-1 S/Augusta Rd. Follow US-1 S into Lexington. At the intersection of Rt 378, continue straight ahead onto Old Chapin Rd and then make a left turn into the Flight Deck parking lot in 500 ft. The Flight Deck Restaurant is in the center of the shopping complex. The entrance is easily found off the courtyard near Barnes Jewelers and Horizon Travel.
