

## Dirty Dozen for Operator and Agencies - Champion

So, your mechanics and pilots feel you are almost ready to go out and maintain and preflight aircraft! Learn more about how to ensure the maintenance and preflighting is done properly and according to procedures while considering Human Factors. Learn mitigation strategies and best practices for increasing the level of safety in your aircraft maintenance and preflights from the FAASTeam.

This is a closed event open only to Champion Aerospace Employees. For further information contact FPM James Dangerfield @ (843-371-6818 or [james.dangerfield@faa.gov](mailto:james.dangerfield@faa.gov)).

Meeting Room TBD.
