

July Topic of the Month - GA Over-Water Operations

In this presentation we'll talk about safe practices related to flying over-water. Expanding on our earlier land survival discussion, this presentation talks about what you can do to better prepare for an over-water flight and, as importantly, what you could do to survive in the unfortunate situation of an open-water ditching.

Let's all Fly Safer even over the earth's most common surface!

From CAE, head south on Airport Blvd. Take the right onto Air Commerce Dr. and then right onto SC-602. Turn left onto Ermine Rd. In 1.5 miles, turn left onto US-1 S/Augusta Rd. Follow US-1 S into Lexington. At the intersection of Rt 378, continue straight ahead onto Old Chapin Rd and then make a left turn into the Flight Deck parking lot in 500 ft. The Flight Deck Restaurant is in the center of the shopping complex. The entrance is easily found off the courtyard near Barnes Jewelers and Horizon Travel.
