

October Topic of the Month - Human Performance

The safety chain is only as strong as its weakest link. Sometimes that weak link might be you.

Virtually every pilot knows what the IMSAFE checklist says, but do they all know what it means? What are the safety impacting details in each of those six letters? What can you do to strengthen your "link" in the chain, and what factors might make you weaker when you need to be at your best in the cockpit? Those are the subjects of this interactive discussion. Eat dinner while you learn safer practices. What a great use of your time! Let's all Fly Safe!

From CAE, head south on Airport Blvd. Take the right onto Air Commerce Dr. and then right onto SC-602. Turn left onto Ermine Rd. In 1.5 miles, turn left onto US-1 S/Augusta Rd. Follow US-1 S into Lexington. At the intersection of Rt 378, continue straight ahead onto Old Chapin Rd and then make a left turn into the Flight Deck parking lot in 500 ft. The Flight Deck Restaurant is in the center of the shopping complex. The entrance is easily found off the courtyard near Barnes Jewelers and Horizon Travel.
