

## February Topic of the Month - Visual Separation and Collision Avoidance

In this presentation we'll talk about a fundamental skill all pilots must master, visual scanning.

Despite the introduction of various collision avoidance systems, "see and avoid" is something we must do correctly to stay safe. We'll discuss techniques to do this and situations where added attention to scanning details is well warranted. Knowledge is power and in this seminar we'll hopefully improve your skill set. Let's all Fly Safe!

From CAE, head south on Airport Blvd. Take the right onto Air Commerce Dr. and then right onto SC-602. Turn left onto Ermine Rd. In 1.5 miles, turn left onto US-1 S/Augusta Rd. Follow US-1 S into Lexington. At the intersection of Rt 378, continue straight ahead onto Old Chapin Rd and then make a left turn into the Flight Deck parking lot in 500 ft. The Flight Deck Restaurant is in the center of the shopping complex. The entrance is easily found off the courtyard near Barnes Jewelers and Horizon Travel.

### Event Details

**Mon, Feb 23, 2026 at 18:30 EST**

**Flight Deck Restaurant**

109 Old Chapin Rd

Lexington, SC
