

Pilot/ATC Forum Mt Pleasant SC

Do you have questions about clearances, routing, altitudes at CHS and surrounding airports? Ask the CHS ATC Controllers. This interactive seminar with CHS ATC Controllers will provide you an opportunity to ask those questions and more. We'll also review the responsibilities of ATC and Pilots as well. Additionally we will discuss the new parachute drop zone at Berkeley County Airport.

This is a closed event for members of the East Cooper Pilots' Association. For further information contact Scott Newsome, FAASTeam Rep. (843) 810-4768 or air3@bellsouth.net.

Driving instructions on attached map. Once in the parking lot, enter the front door and look for the conference rooms on the left.
