

Human Factors and the SC FSDO 2nd Quarter Safety Report

This Civil Air Patrol (CAP) Pilot Clinic that will review available training concerning the last frontier which is Human Factors with focus on *Human Information Processing* and *Startle Response Overview*. With accident rates stabilizing the understanding of Human Factors may offer the best opportunity to further reduce accident rates further. We will review information from the latest *SC FSDO 2nd Quarter SC Safety Report* as well.

This is a closed event for members of the Civil Air Patrol. For additional information contact Rep. Dan Ahern at: ahern626@gmail.com or (843) 812-5421.

EAA building will be adjacent to airport terminal bldg.
