

Topic of The Month - Hindsight Bias and Controlled Flight Into Terrain (CFIT)

Event Details

Hindsight bias, the tendency to believe you predicted an event, often leads to the mistaken belief that conditions were obvious when they were likely obscured by routine, ambiguous, or distracting information. This can occur in Controlled Flight Into Terrain (CFIT) accidents, where the crew believes they're executing a safe flight and don't know they're about to crash. Learn common factors contributing to CFIT in this seminar to avoid accidents that might be evaluated with hindsight bias. Fly safe!

From CAE, head south on Airport Blvd. Take the right onto Air Commerce Dr. and then right onto SC-602. Turn left onto Ermine Rd. In 1.5 miles, turn left onto US-1 S/Augusta Rd. Follow US-1 S into Lexington. At the intersection of Rt 378, continue straight ahead onto Old Chapin Rd and then make a left turn into the Flight Deck parking lot in 500 ft. The Flight Deck Restaurant is in the center of the shopping complex. The entrance is easily found off the courtyard near Barnes Jewelers and Horizon Travel.
