SC FSDO FAA Safety Team presents:

Collision Avoidance PLUS the Ketchikan Mid Air Crash

This interactive seminar will focus on the Midair collision risk and risk management techniques. We'll take a look at the pilot's role in collision avoidance, review operational procedures at non-towered airports, and analyze the Ketchikan, Alaska collision in May 2019.

The event is a closed event open only to members of Greenville Aviation, and for further information to contact FAASTeam FPM James Cline at (803) 451-2661.
