SC FSDO FAA Safety Team presents:

November Topic of the Month- CFIT

CFIT is one of the leading causes of accident in general aviation due to loss of situation awareness by the pilot. In this safety seminar, we will discuss the definition of CFIT, CFIT statistics, and technologies available to pilots for safe operation.

Main FBO Conference Room. The direction is available using any of the navigational apps like google map.

A message from the National FAASTeam Manager
