FDSO-13/The FAA Safety Team presents:

Dirty Dozen for AMT Students

So you AMT students feel you are almost ready to go out and maintain aircraft! Learn more about how to ensure the maintenance is done properly and according to procedures. Learn mitigation strategies and best practices for increasing the level of safety in your aircraft maintenance from the FAASTeam. This also gives mechanics their first exposure to the FAA and its mission on Safety.

Meeting Room TBD.

A message from the National FAASTeam Manager
