SC FSDO FAA Safety Team presents:

CFIT Avoidance

Controlled flight into terrain is a real thing with countless accidents that have occurred. This should catch our attention and cause us to ask what happened, and what can be done so that we never become part of the statistics involving a perfectly good airplane in a controlled state that flew into terrain. In this event we will discuss:

-CFIT Statistics

-CFIT Avoidance Techniques

-CFIT Avoidance Technology

Event Details

Sat, Nov 21, 2026 at 09:00 EST

GMU Vantage Aviation

100 Tower Dr, Greenville SC
Conference Room

Greenville, SC

Contact: MASON AVERY TUBB

(864) 320-4144

Select #: SO13147458

The event will be held in the small conference room at Vantage Aviation located at the base of the tower at Greenville Downtown Airport. 100 Tower Dr, Greenville SC 29607. Parking will be at the front of the FBO. Once parked make your way through the double glass doors and once you reach the front desk at the FBO make a right and the conference room will be about 50 feet on your right. If needed the front desk will be occupied and they can direct you.
