

# SAFETY

## Attend the FAASTeam/HAI Helicopter Safety Seminar

- The 3 things you need to compete in this rotary-wing job market
- Local-industry chief pilots address what they expect in pilot candidates
- How the FAASTeam makes you more competitive
- What HAI can do for you NOW!
- Speak one-on-one with active industry pilots on your career strategy
- Your competition will be here!

***Lunch and breaks sponsored by HAI***

The FAA Safety Team (FAASTeam) and Helicopter Association International (HAI) invite you to attend a **Helicopter Safety Seminar for General Aviation Pilots, Certified Flight Instructors, and Student Pilots**. The agenda will include sessions on safety, operations, and career development.
