

Space Coast FAASTeam presents:

Air Traffic Control - Hot Topics

Bill Smith and Dennis Densmore, Plans and Program Specialists, Orlando TRACON, and John Roberts, Manager KMLB Tower, will give a detailed presentation on current operations, future changes in and around central Florida airspace and surface changes at Melbourne Int'l Airport. Bring your questions for this Air Traffic Management Team.

Directions: I-95 to (Exit 180) US-192 East, left on Evans, right on NASA, left on Grumman Place, right on Tower Access Road to FIT Aviation on right.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
