

## New Medical Procedures and Medical Waiver Process

Join us this month with Dr. Leigh Lewis and Dr. Kevin Holthaus. Dr. Lewis will be discussing the Aerospace Medical Certification Division and using [faa.gov](http://faa.gov). She will also discuss how the Special Medical Waiver process works and how to navigate the FAA medical system. Dr. Holthaus will review the new MedXPress Electronic Airman Medical FAA form 8500-8. He will cover how to fill out the form prior to visiting your Doctor. A Q&A session will follow.

**Directions:** Jacksonville Craig Municipal Airport - Board room located at the base of the control tower. Please consult Map Link below. Flying in: Please park at Sky Harbor.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
