

## Regulation Review - VFR/Airworthiness/IFR

Speakers will discuss FARs with a focus on application. In addition, an overview of IFR/VFR regulations will be discussed.

**Directions:** Entering airport, proceed towards control tower. JAA Building is to the right of the Tower. Parking lot is in front. Conference Room is on immediate right upon entering building.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
