

Florida Aviation Weather

Mr. Tony Cristaldi, Aviation Program Manager, National Weather Service, KMLB, will give a briefing on Florida weather and thunderstorm activity for pilots. Mr. Cristaldi, Senior Forecaster at KMLB will discuss how storm patterns are dependent upon variations in temperature, moisture, and wind patterns.

Directions: I-91 to (Exit 180) US-192 East, left on Evans, right on NASA, left on Grumman Place, right on Tower Access Road to FIT Aviation on right.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
