

Introduction to ADS-B

Mr. Andre Zimmermann, an Assistant Director of Aviation Safety and a full-time instructor at Embry-Riddle Aeronautical University, will be discussing Automated Dependent Surveillance Broadcast (ADS-B) including many theoretical, operational, abnormal and procedural elements of ADS-B.

Directions: Park in short term parking lot. Parking vouchers will be provided. Parking is free. Enter the main terminal building on the first floor and follow the signs to the safety seminar.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
