

## iPad Takes Flight! ADVANCED.

You have been using your iPad for a while, but have you mastered it? Are you proficient in its use in-flight? What does it look like when you have mastered using the iPad? What capabilities will you have that you didn't before? Why is this important?

**Directions:** SunState Aviation Flight School

### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
