

An Evening with Air Traffic Control

ATC experts from the Orlando Tracon and Kissimmee Tower team up to present an informative seminar on safely and proficiently navigating local airspace and operations. We'll cover Hot Spots, Flight Following, Practice Approaches, Airspace and Communications.

Directions: From US 192 to Kissimmee, Thacker Street to Right on Patrick Street. Last street on left to Sunstate Aviation.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
