

The IMC Club presents realistic IMC events in a guided discussion format

The event focuses on instrument rated pilots, however, instrument students and other pilots can benefit from the discussions by discovering new ways of thinking about instrument flying.

Directions: From Sanford Ave turn east onto E. Airport Blvd., turn left before the T-hangars on Carrier Ave., right on E 28th St., then right on Flight Line Ave.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
