

The Impossible Turn and Landing

The Treasure Coast FAASTeam will host a seminar "THE IMPOSSIBLE TURN AND LANDING" by Jim Alsip who does business as Dylan Aviation in Indiantown, Florida. He is a Master Certified Instructor with an Acrobatic Endorsement. Jim has years of instructing pilots in an airplane with tandem seating. His greatest insight, as an instructor, is watching where a pilot is looking during maneuvers. Jim has expressed that insight in his two books: FLYING THE TAILWHEEL AIRPLANE and ARTISTRY OF THE GREAT FLYER. www.dylanaviation.com

Directions: Flight Safety Hangar just west of the Vero Beach Main Terminal Bldg. Enter on west side of the hangar, meeting in classroom M. There is plenty of parking.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
