

Rotorcraft CFI Autorotation Workshop

Bristow Academy is sponsoring our first Rotorcraft CFI Special Emphasis Program. Philip Wynands, Bristow Academy's Standardization Manager, will kick off the session with an Autorotation workshop, followed by local Designated Pilot Examiner Shawn Knickerbocker, to discuss common weak areas that have been observed on check rides. Local FAASTeam Program Manager Mark Laughridge will discuss pilot airworthiness responsibilities and the importance of a thorough pre-flight.

Directions: From I-95, take exit 215, go east on Hwy 50. Turn right on Hwy 405 (Columbia Blvd) Turn right again on Tico Rd. Go approximately 1/4 mile to Bristow's Central Operations Building. The workshop will be held on classroom one on the second floor.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
