

Flight Instructor 'Safer and Smarter' seminar

Inspectors from the Orlando FSDO will present and discuss five different topics that focus on risk areas involving:

Pilot deviations, Flight training accident/incident review, Risk Management making Go/No Go decisions, Student Pilot transitions to new aircraft, and Advanced Aircraft Preflight.

Directions: From St. Johns Bluff Rd. turn east onto Aviation Blvd and continue to the Control Tower. The meeting room is in the base of the Control Tower.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
