

## Mike Buresh - All the Weather, All the Time

The Jacksonville FAASTeam is pleased to once again present Mike Buresh, local Chief Meteorologist. Following up on questions asked during our June meeting, Mike will further that discussion into the expected El Nino-dominated winter, as well as review the expected and unexpected aspects of fog.

**Directions:** Jacksonville Airport Authority - Craig Airport conference room located at the base of the Control Tower. If flying in, please park at the Sky Harbor FBO.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
